There is no case of endowment where interest is paid without the accounts being submitted previously. In the case of Kolepalli Subbiah Setty's endowment however, the first receipt for interest for any half year is accompanied by accounts for the previous half year and submitted to the Deputy Commissioner, Bangalore for countersignature. The second and subsequent receipts if any for the same half year are paid without countersignature.

The concession sought for is in favour of the donor, the general rule being applied after him. As observed by the Financial Secretary, it is not a great concession to permit the donor of an endowment the freedom to expend, as he thinks best, the interest from its investment in the interests of the beneficiary institution. I think the request of the donor might be complied with.

9 We might, however, suggest one condition. We need not insist upon the submission of accounts as a condition precedent to the payment of periodical interest. We might, however, ask for submission of a statement of account in which the interest income from this endowment is taken as revenue and the expenditure met from it is also shown. Swami Yogeswarananda may be requested to state if he is agreeable to this arrangement.

To
The Muzrai Commissioner
to the Government of Mysore,
B A N G A L O R E.

Sir,

I beg most respectfully to place the following proposal for your favourable consideration.

I am desirous of depositing Rs. 4,500/- (Rupees four thousand and five hundred only) by transfering five -year Mysore Government Savings Bank Fixed Deposits fetching 5% interest, as an endowment with your department for the benefit of Sri Ramakrishna Mutt, situated at Ulsoor Bangalore Cantonment.

Neither I nor any of my successor or successors in charge of the Mutt, shall at any time draw the amount, but shall keep this as a fixed deposit in perpetuity with your department; only the interest of it shall be drawn by me and them.

The interest shall be utilised for the NECESSARY EXPENSES of the said Sri Ramakrishna Mutt, Ulsoor, Bangalore Cantonment, and these shall comprise expenses for (a) Daily worship of Bhagavan ~~Sri Ramakrishna~~ Sri Ramakrishna Deva at the above mentioned Mutt; (b) Worship on special occasions there; (c) Maintenance of the president, Sadhus, and Brahmacharis resident in the same Mutt, (d) Establishment charges, such as servant's wages etc, (e) Repair to the Buildings of the said Mutt, (f) purchase of books etc., for the Mutt Library, (g) Publication of Religious books and also other activities, such as preaching etc., for the spread of Religious knowledge, and such other expenses as may be deemed right by the President or person or persons in charge, for the welfare of the Mutt and its efficient working.

I further ask this favour that during my life -time I shall be allowed as a special case to draw the interest without being under the obligation of rendering accounts of expenses, though my successor or

essor or successors in charge of the Mutt remain bound to render accounts as usual according to the Rules of your department.

Permit me to mention here that I have made an endowment of Rupees seven thousand (Rs.7,000/-) with your department for the celebration of ceremonies in connection with the Birthday Festival of Bhagavan Sri Ramakrishna Deva at the above Mutt and that accounts of expenditure are being regularly rendered every half year and interest drawn. (Vide your No.R.Dis. 2/27-28 dated 8-7-1927 and No.R.Dis.275/ 30-31 dated 10-7-1931.) But for this present endowment and all additions to it, I crave the indulgence of release during my life-time from the obligation of rendering accounts.

I further request that when the Fixed Deposit receipts mature they should be cashed and monies kept with your department as cash deposits.

I request also that as this Sri Ramakrishna Mutt for which this endowment is being made is situated within the limits of C. & M. Station the Government be gracious enough to pass orders for the payment of interest to me or to my successor or successors who may be in charge of the Mutt directly under your signature from the Government Treasury, saving us thereby the trouble of applying for and receiving it through the Amildar and other officers of Bangalore District within whose jurisdiction this institution is not situated.

Trusting that this will meet with your kind approval,

I remain,

Obediently yours,
Sd/ Yogeswarananda.
